Sir/Madam,

I recently heard that Options will not be permitted in IRA accounts. I have been using Options in my IRA account to enhance income on the stocks I own. I also have using Options in my IRA account to protect my Stock positions. With out using Options, I am being handicapped in my IRA account. I should be able to use Options in my IRA account. Please DO NOT REMOVE trading Options in the IRA account.

Thank you for your considerations,  
Siu Kin Lim
